

“Do's and Don'ts of Investing in Indian Capital Markets”

Do's

To Read all documents carefully before signing.

To Always deal with SEBI registered stock broker or authorised person for any investment through stock market.

Always make payments to registered intermediary using banking channels. No payment in name of employee of intermediary.

Do remember that nobody can promise you guaranteed returns in stock market. It is neither allowed nor possible.

Do register your mobile number and email ID in your trading, demat and bank accounts to get regular alerts on your transactions.

Don'ts

1

Do not invest and trade on the basis of 'Tips'.

2

Do not share password of your online trading and demat account with anyone.

3

Do not share OTP received from banks, brokers, etc. with anyone calling you. These are meant to be used by you only.

4

Do not invest in any chit fund, ponzi and unregistered collective investment company.

5

Do not follow herd mentality for investments. Seek expert and professional advise for your investments.
